

# ASCOTRAN®

## FLASH-RUST INHIBITORS

In order to meet growing demand and expectations from water-based coating solutions, ASCOTEC® has developed an ultra-performing Flash-Rust inhibitors : ASCOTRAN®.

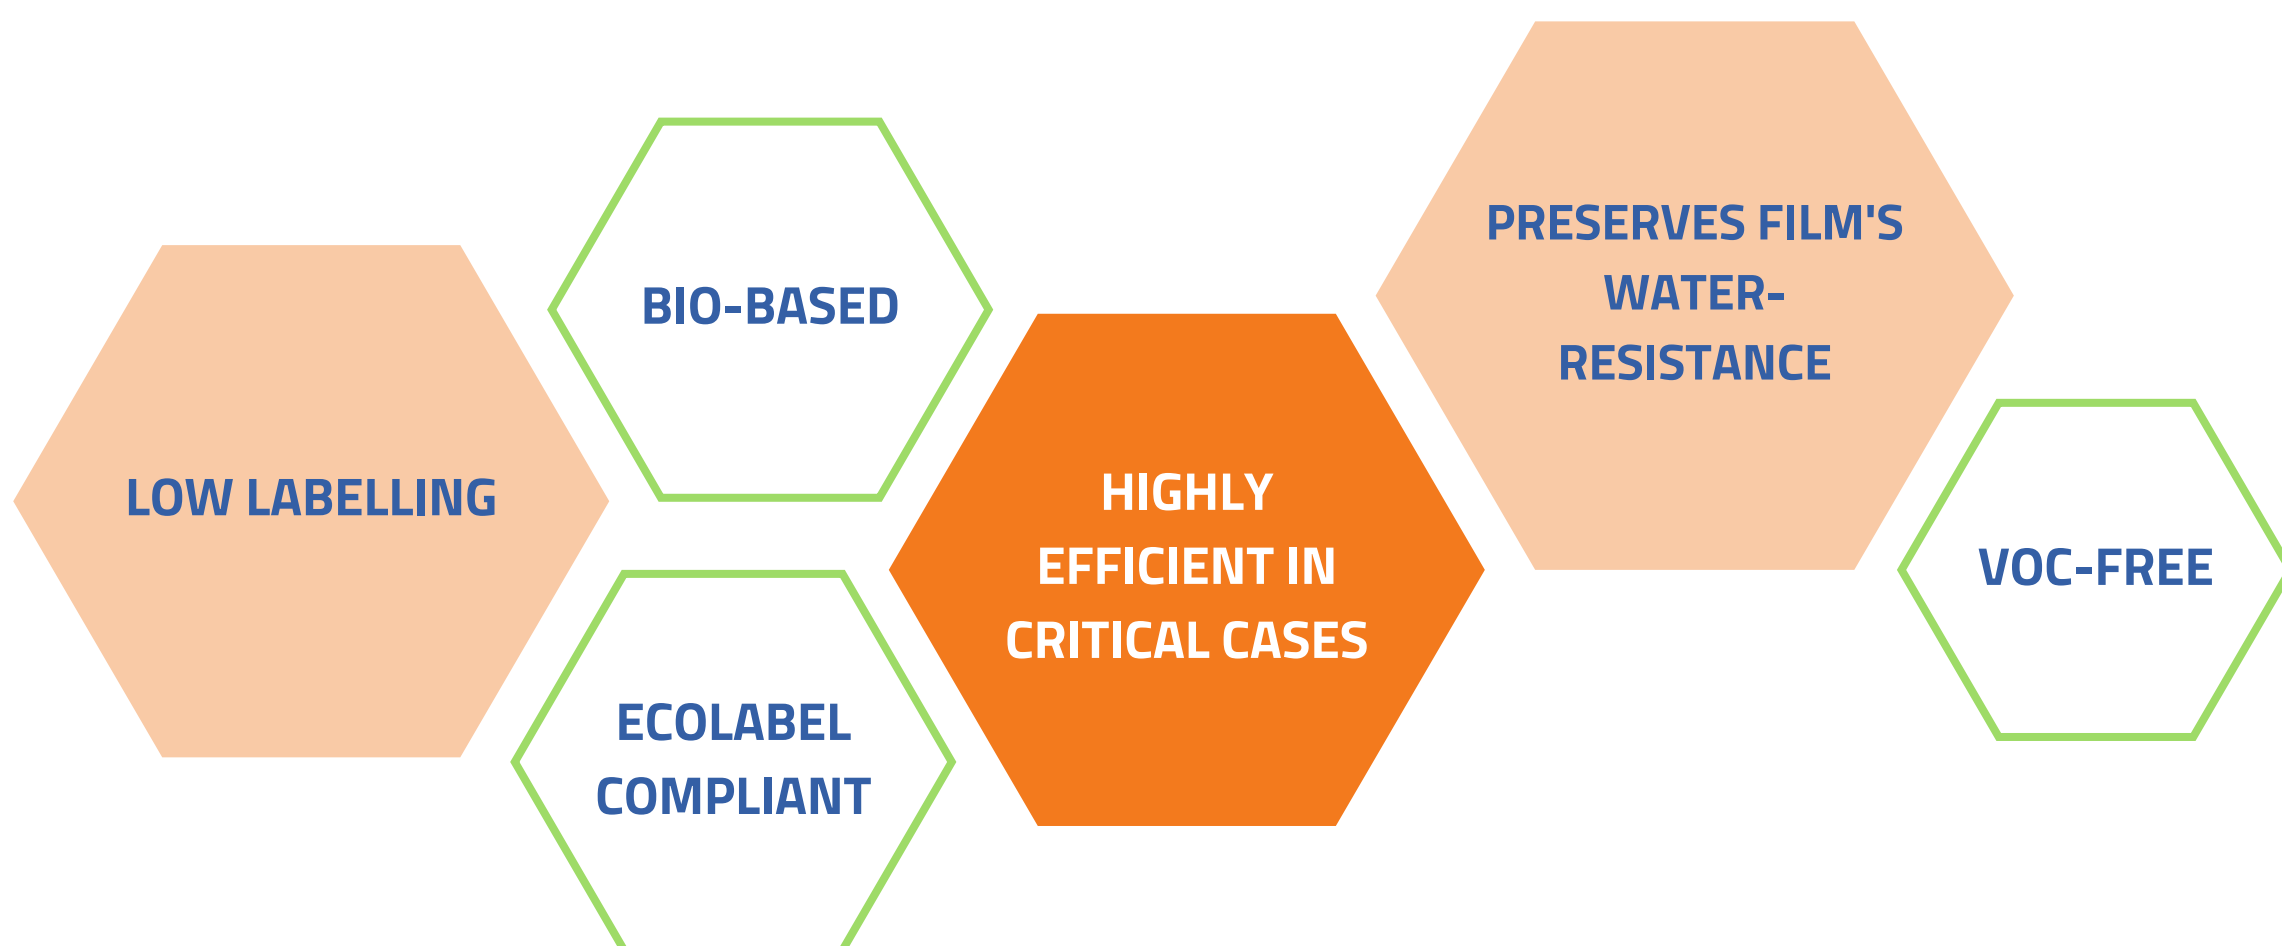

It can be used in various fields such as :

- Industry
- Architecture
- Do-it-yourself

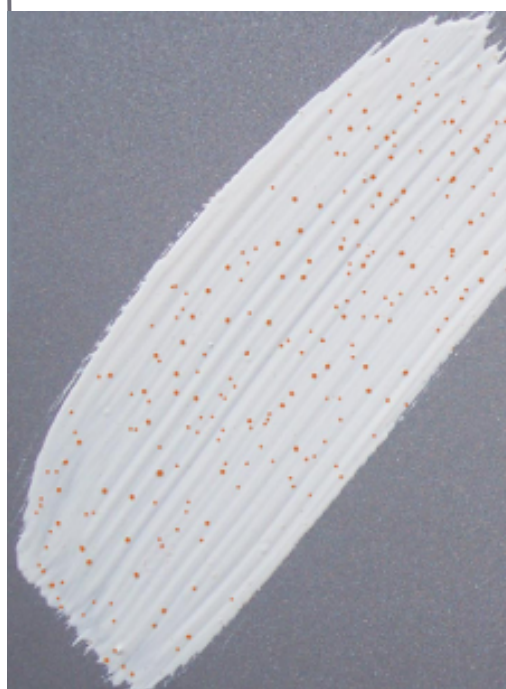

THIS INNOVATIVE AND ULTRA-PERFORMING INHIBITOR HAS BEEN DESIGNED FOR SUBSTRATES VERY SENSITIVE TO FLASH-RUST

### KEY BENEFITS

### PERFORMANCE

WB ALKYD DTM  
SAND-BLASTED STEEL  
DRYING @ RT
